

art. 691
OSTOMY UNDERWEAR FOR MEN

- The first Pavis boxers (691) designed for stoma containment
- High-waisted boxer-type underwear, with a modern design
- Features two internal pockets, which can be used to contain the ostomy bag, keeping it hidden and supported inside the boxers
- Featuring a front opening, for maximum effectiveness and comfort
- Made with the innovative AIRGENIX antibacterial fabric, ensuring maximum hygiene, comfort, freshness, breathability and preventing the formation of unpleasant odours
- To be worn directly in contact with the skin as an undergarment
- Ostomy bag is not included

INDICATIONS

- Supports the stoma bag
